LET THE
LITTLE
Children Come

"Jesus said, 'Let the little children come to me, and do not hinder them, for the kingdom of God belongs to such as these.'"

— Mark 10:14

The month of May was a season of great joy, spiritual growth, and divine encounters as our Church hosted Kids Konvention 2026 across our Kompally and HITEC City campuses. At Kompally, from 27th to 30th May, 917 children participated in a powerful time of worship, Bible teaching, and Spirit-filled ministry, learning about The Armour of God and how to stand strong in faith. At HITEC City, the Kids Konvention was held from 26th to 30th May, followed by Kids Sunday on 31st May, with 475 children attending, including 325 children from underprivileged communities. Through these gatherings, children experienced God's love, learned biblical truths, and enjoyed the singing and dancing.

In Mark 10:16, *"And he took the children in his arms, placed his hands on them and blessed them."* May we continue to invest in and bless the next generation. The blessing of having a child involves more than simply providing for their physical needs. It includes five important elements:

1. Meaningful Touch - Children thrive when they experience loving and appropriate physical affection. A hug, a hand on the shoulder, or a reassuring pat on the back communicates acceptance, security, and love.

2. A Spoken Message - Words have tremendous power. Children need to hear words of love, encouragement, affirmation, and acceptance. Blessing becomes truly meaningful when it is expressed verbally.

3. Attaching High Value - Every child needs to know they are treasured, not because of their achievements, but because they are uniquely created and deeply loved by God. Regularly communicating their value helps build confidence and a sense of security.

4. Picturing a Special Future - God has a purpose for every child. Speaking faith-filled encouragement into their lives helps them recognise their God-given potential and inspires them to pursue His plans for their future.

5. An Active Commitment - A blessing is not merely spoken; it is demonstrated through ongoing investment, guidance, prayer, and support. Children flourish when they know that the important adults in their lives are committed to helping them succeed.

Reaching Children: An Eternal Investment

Scripture repeatedly reveals God's heart for children and future generations. The God of Abraham, Isaac, and Jacob is a God who works through generations, passing His promises and purposes from one generation to the next.

Statistics consistently show the importance of reaching children with the Gospel early in life. Research indicates that approximately 83% of those who come to faith in Christ do so before the age of 18, highlighting the strategic importance of children's ministry.

Many influential Christian leaders and missionaries came to know Christ during childhood:

- Jonathan Edwards – age 7
- Mary Slessor – age 7
- Jim Elliot – age 6
- Isaac Watts – age 9
- Amy Carmichael – age 9
- Matthew Henry – age 11
- Helen Cadbury – age 12
- All eight of Catherine Booth's children accepted Christ before the age of 10

These examples remind us that God often begins His greatest work in a person's life during childhood.

Evangelist Billy Graham wisely observed:

"Children will invariably talk, eat, walk, think, respond, and act like their parents. Give them a target to shoot at. Give them a goal to work toward. Give them a pattern that they can see clearly, and you give them something that gold and silver cannot buy."

As a Church family, we thank God for every child who attended Kids Konvention 2026, every volunteer who served faithfully, every parent who entrusted their children to us, and every teacher who invested in the next generation. Let us continue praying that these young hearts will grow strong in the Lord, stand firm in His truth, and become powerful witnesses for Christ in their homes, schools, and communities.

May we never underestimate what God can do through a child whose heart is fully surrendered to Him.
