NEW LIFE BULLETIN ♦ 30 AUGUST 2026

*Please consider this a place to call Home - With people, you can call Family.
You are always welcome! God truly loves you, and we do too.*

A person is walking away from the viewer on a dirt path that leads towards a bright sunrise or sunset. The sun is low on the horizon, creating a golden glow that fills the sky and reflects on the path. In the background, there are rolling hills and mountains under a sky with soft, wispy clouds. The overall mood is peaceful and hopeful.

LIVING IN THE PRESENCE *of God*

The presence of God is one of the greatest gifts a believer can experience. His presence is not limited to a church building, a worship service, or a special moment. God desires to walk with us in our everyday lives. His presence gives us strength when we are weak, peace when we are troubled, and direction when we are confused. More than success, possessions, or recognition, we need the presence of God.

God's Presence Gives Us Peace

Life can be filled with pressures, problems, and uncertainties, but God's presence brings peace to our hearts. Moses knew that the journey without God's presence was meaningless. When God is with us, we do not have to face life alone.

His presence calms our fears and gives rest to our souls. Even in difficult situations, we can experience peace because God is near to us. The greatest peace is not the absence of problems but the presence of God in the middle of them.

God's Presence Gives Us Strength

There are times when we feel tired, weak, and unable to continue. In those moments, God's presence becomes our strength. We may not always have the answers, but we can know that God is with us. His presence gives us courage to face challenges and faith to keep moving forward. When our strength ends, His strength carries us. A person who walks with God can face difficult situations with confidence.

God's Presence Gives Us Direction

Many people struggle to know which way to go in life. Decisions about family, career, ministry, and the future can sometimes be confusing. But when we walk closely with God, His presence helps us recognize His direction. God guides us through His Word, His Spirit, and His wisdom. His presence may not always show us the entire journey, but it gives us light for the next step. We can trust God to lead us where we need to go.

God's Presence Changes Us

Spending time in God's presence changes the way we think, speak, and live. We cannot truly encounter God and remain exactly the same. His presence reveals our weaknesses but also reminds us of His grace. As we draw closer to Him, our character slowly becomes more like Christ. God's presence shapes our attitudes, heals our hearts, and strengthens our faith. The greatest evidence of being in God's presence is a life that is becoming more like Jesus.

God's Presence Makes Us Different

Moses understood that God's presence was what made God's people different from everyone else. It was not their strength, wealth, or numbers that made them special—it was God with them. In the same way, our greatest advantage in life is not what we have but who walks with us. God's presence gives us confidence, courage, and purpose. When people see God's love, peace, and character in us, they see something different. Let the presence of God be the greatest mark of our lives.

"The greatest blessing is not having everything we want, but knowing that God is with us wherever we go."
