A Greenhouse for Growing Christian Life!

Carecells are like greenhouses: Welcoming, supportive spaces that nurture members' personal growth and transformation. Let us hear first hand the metamorphosis story of one of our Carecell Coordinators, **Rosa Florina Parnandi**.

The Egg Stage: My Christian life began as a teenager, when a friend introduced me to Jesus. Realising Sunday services alone wouldn't deepen my faith, I sought a small group, and that took time. Today, our church ensures no one has to wait to find a welcoming Carecell! This year, we introduced the *Open Door Initiative*.

The Larva Stage: Feeding on the Word and Finding Family. When the door opened, everything changed! The family who introduced me to Christ were now trained and became my Carecell Leaders, turning their home into my spiritual feeding ground, just as the caterpillar focuses on rapid growth...

- I nourished my faith and grew spiritually through regular **Bible discussion**.
- As someone who's shy, Carecell gave me a safe space to **pray** aloud without fear or judgement.
- Following Jesus left our family feeling isolated from our friends, and we also faced persecution. But God never leaves us as orphans. In Carecell, we found a **loving spiritual family** that welcomed us.

The Pupa Stage: Transformation, Discipline, and Purpose

I experienced real change, much like a caterpillar changing inside a chrysalis.

- **Boldness:** Shyness faded, giving way to the boldness to share the Gospel with colleagues, friends, and neighbours.
- **Mentorship and Accountability:** Through life-on-life modelling, I learned to lead a disciplined life and strive to be a good steward.
- **Discovering Our Gifts:** Singing was always close to our family's heart, but Carecell revealed its divine purpose of leading others into God's presence. I used this gift to serve.

The Adult Stage: Flight, Multiplication and Discipleship

The butterfly emerged! God opened doors to minister to youth and women and bring colleagues to Christ. Years later, my husband and I completed Carecell Leadership training, opened our home, and shared the love and care we had received. God faithfully multiplied our cell!

A Word for You Today: What's keeping you from connecting with a Carecell? Fear of the unknown? Fear of being judged? Or busy schedules? Whatever the reason, let me assure you: God has a plan for your life. He wants to ground you, nurture you, and release you into your calling. Take a step of faith, join a Carecell, and let God lead you on your own journey of transformation!

"And let us consider how we may spur one another...not giving up meeting together... encouraging one another—as you see the Day approaching."

- HEBREWS 10:24-25
