Called to **MULTIPLY** **DISCIPLES:**

Every Carecell, a Centre for Growth!

"Therefore, go and make disciples of all nations..." — Matthew 28:19

The Great Commission is not merely a call to win people to Christ; it is a call to make disciples who, in turn, make other disciples. God's desire is not only that people come to know Jesus, but that they grow in their faith, become mature in Christ, and help others experience the transforming power of the Gospel.

Our **Carecell Ministry** plays a vital role in fulfilling this God-given mission. Carecells provide a place where people can experience Christian fellowship, study God's Word, pray together, care for one another, and grow spiritually in a loving and supportive environment. They also create opportunities to reach our neighbours, friends, relatives, and those who may not yet be part of a church community.

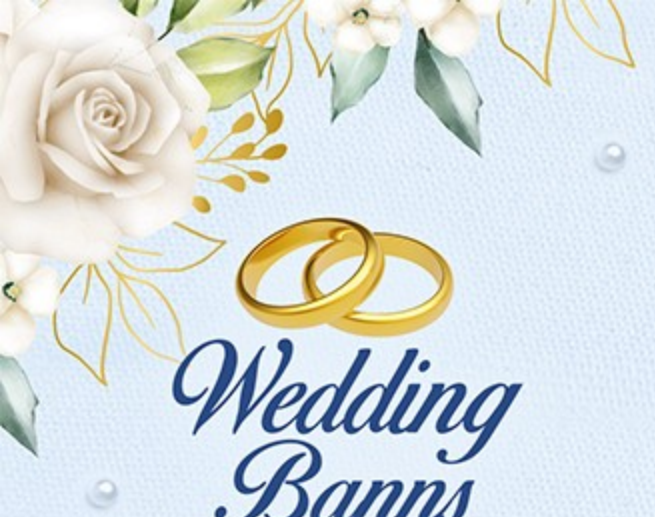

The purpose of a Carecell is not simply to gather people together every week. As we nurture existing members and reach out to new people, we also intentionally help each person become a committed follower of Jesus who can influence others for His Kingdom. We strive to make every Carecell a place where lives are transformed, families are strengthened and leaders are raised.

The early Church gives us a beautiful example of this pattern. The believers met both in the temple courts and from house to house (Acts 2:46–47). As they worshipped, shared life, and witnessed to others, the Lord added to their number daily. Likewise, Paul instructed Timothy to entrust the truth he had received to faithful people who would be able to teach others also (2 Timothy 2:2). This reveals God's pattern of multiplication: disciples making disciples, generation after generation.

Multiplication begins when every Carecell member recognises that they are not merely a participant but a disciple-maker. Our leaders prayerfully identify, nurture, and equip potential leaders. Every member of a Carecell is helped to grow in faith, encouraged to pray for people and minister to them through personal contacts, outreach programmes and mission trips. Then, these potential leaders are recommended for our annual Carecell Leadership Training and are encouraged to start new Carecells. This is how we look beyond maintaining our existing groups and embrace the vision of multiplying disciples and Carecells.

So, our goal is not merely to multiply Carecells, but to multiply disciples who make disciples. As we remain faithful to this calling, our prayer is that for the Lord to use our Carecell ministry to expand His Kingdom and bring many more people into a life-changing relationship with Jesus Christ.

***Come, let us grow together, reach out together,
and multiply disciples together!***
