ONE ANOTHER

1 Peter 4:10

Today is Carecell Sunday, and we are excited!! Excited about what God has been doing in and through this ministry. We are so grateful to God for our founding pastors, Pastors Earl and Arlene Stubbs, for investing in this ministry 35 years ago. The seed that was sown has grown into a great, fruit-yielding tree.

The theme for this year's Carecell Sunday is **Serve One Another** from 1 Peter 4:8-10. Here, apostle Peter says, "Above all, love each other deeply... Offer hospitality to one another without grumbling. Each of you should use whatever gift you have received to *serve others*, as faithful stewards of God's grace in its various forms."

Peter writes to a scattered, struggling church, and his instruction for spiritual survival is simple – Don't be in isolation, but draw closer to each other!

He emphasizes three things in this passage:

1. Love One Another: In a world where there is so much hatred and unhealthy competition, the Carecells operate on divine love.

Read the testimony of **Litvin Dona Benjamin, Carecell Leader, Nizampet** who says that people sacrificed their time and sleep to demonstrate their love!

"After a major surgery, I developed severe breathlessness, and doctors suspected cardiac complications. During this difficult time, fellow Carecell leaders and members came to the hospital, stayed on through the night praying for me. I recovered within two days to the amazement of everyone."

2. Show Hospitality: Peter encouraged the believers to open doors of their homes so that travelers and persecuted believers had a safe place to rest. Our Carecells have open doors for people to come and be refreshed! Often, they become places of encouragement and relief!

Here is a testimony of **Suhasini Ashok, Mettuguda Carecell**, who shares how because of one family who opened their home, her entire family was blessed and grew closer to the Lord.

"My Carecell and my Church have completely transformed my family's perspective towards God, life and people. My kids love the Carecell time."

3. Be a Good Steward: When people come together in a Carecell, they learn stewardship, to use their God-given talents for God's glory.

The article in the last week's bulletin used the analogy of authentic Hyderabad Biryani to describe a Carecell! Just as you can't fully appreciate the magic of a slow-cooked biryani just by reading the recipe, you can't truly understand the impact of a Carecell until you step into the room and experience it firsthand!
