You are always welcome! God truly loves you, and we do too.*

ARE YOU SUCCESSFUL?

There is great pressure in our world to be successful. Children and youth feel the pressure right from the time they start school until they finish college. Working people face the pressure in their corporates and classrooms. What actually is "success?"

In Joshua 1:8, God promised Joshua that he would have good success as he walked in obedience to the Word of God. According to the Amplified Bible, "This is the only place in the early English versions of the Bible where the word 'success' is found." The Hebrew word here means, "intelligence, prudence, wisdom and skillfulness." It has nothing to do with fame, fortune, or notoriety.

In one of Isaiah's prophecies concerning Christ, he wrote, "Then I said, 'I have labored to no purpose; I have spent my strength in vain and for nothing. Yet what is due me is in the Lord's hand, and my reward is with my God'" (49:4). The Hebrew word for what is "due me" means "verdict." Christ is saying, "The final verdict is with my Father. He alone passes judgment on my labors, and how successful I have been."

As believers, we do not measure our success by the world's measurement system. It is centered on numbers, money, influence and fame. God's system of measurement is based on faith, character and trust. He measures with an eternal yardstick. His standard of success is based on character and spiritual growth.

Mother Teresa attended a gathering with kings, presidents, and statesmen from all over the world. They were there in their crowns, jewels and expensive apparel, while Mother Teresa wore her simple white sari, held together with a safety pin. When questioned about her work with the poorest of the poor in Kolkata, she was asked if she ever became discouraged because she saw such little success. Mother Teresa replied, "No, I do not become discouraged. You see, God has not called me to a ministry of success. He has called me to a ministry of mercy."

According to Paul's words, the fire will test each man's work, of what "sort" it is, not what "size" it is. That means, "the fire will test and critically appraise the character and worth of the work each person has done" - I Corinthians 3:13, Amplified Bible.

Charles Colson says, "Our goal is not 'success,' it is faithfulness. God calls us, not to success but to faith, obedience, trust and service." Success means doing the best we can with what we have. Success is in the doing, not the getting—in the trying, not the triumph. Success is a personal standard—reaching for the highest in us.

"Therefore, my dear brothers, stand firm... always give yourselves fully to the work of the Lord, because you know that your labor in the Lord is not in vain."

I CORINTHIANS 15:58
