HOW TO BE *Perfect*

The Epistle of James gives us the secret of being perfect: *"If anyone is never at fault in what he says, he is a perfect man"* - James 3:2 NIV. The fact is, words are the audible expression of our inner life and heart. Once spoken, they cannot be erased. They paint indelible pictures on the minds of our hearers. It is interesting that in the list of seven things God hates recorded in Proverbs 6:16-19, three relate to the tongue: a lying tongue, a false witness, and sowing discord.

Morgan Blake, a writer for the "Atlanta Journal," wrote the following: "I am more deadly than the screaming shell from the howitzer. I win without killing. I tear down homes, break hearts, and wreck lives. I travel on the wings of the wind. No innocence is strong enough to intimidate me, no purity pure enough to daunt me. I have no regard for truth, no respect for justice, no mercy for the defenseless. My victims are as numerous as the sand of the sea and often as innocent. I never forget and seldom forgive. My name is Gossip."

We read in Proverbs 26:22, *"The words of a gossip are like wounds; they go down into the in most parts of the body."* Someone has rightly said, "Of all the wounds inflicted upon others, the hardest to heal are those made by the tongue."

Wrong use of the tongue leads to strife and contention, bitterness and remorse, confusion and despair. It separates families, friends and communities and destroys reputations. Gossip has been defined as the act of confessing other people's sins.

How true the words of the famous English essayist, Samuel Johnson: "God Himself, sir, does not propose to judge a man till he is dead. So why should I?"

Jesus Himself stated clearly the source of the problem is not the tongue; it is the heart. *"The things that come out of the mouth come from the heart. . . out of the heart come evil thoughts, …false testimony, slander."* - Matthew 15:18-19. If you are having trouble with your tongue, it may be time for a heart examination.

There is an antidote to a troublesome tongue: *"A word fitly spoken is like apples of gold in pictures of silver"* - Proverbs 25:11. Fill your heart with God's Word and be sensitive to the counsel of the Holy Spirit.

"The proof that you have God's Spirit in your life is not that you speak with an unknown tongue, but that you know how to control the tongue that you do know about" (J. Sidlow Baxter).

The ability to control one's speech is a crucial test of our progress toward Christian perfection. Are we gaining ground, or do we need to work harder in this area?

Let us pray with the Psalmist:

"Let the words of my mouth and the meditation of my heart be acceptable in your sight, O Lord, my strength and my Redeemer" - Psalm 19:14
